

Discover Cosmic Rays

INTERNATIONAL COSMIC DAY

November 22 | 2022

Cosmic particles, these unnoticed particles that surround us all the time, are the focus of this day. Students, teachers and scientists get together to talk and learn about Cosmic Rays and answer questions like:

**What are cosmic particles?
Where do they come from?
How can they be measured?
And what can we learn from them?**

Become a Scientist for a Day

Discover the world of cosmic rays like an astroparticle physicist.
